

# Westgate Dental Clinic

Dr Ryan Salisbury  
BDS LOND 2020

GDC 290673

Ryan Salisbury joined the team at Westgate at the end of February 2023. He graduated from St. George's University of London with honours in Biomedical Science and went on to read Dentistry at King's College London.

Since qualifying, he has focused on continual growth and development within the field of Biomimetic Restorative Dentistry. Ryan has a keen and deep rooted interest in ensuring that patient care is maintained to the highest standard, both clinically and ethically.

In his spare time, Ryan can be found in the kitchen, cooking up a feast or out in nature, paddle boarding or hiking with his partner Becky and miniature dachshund Ernest. You might also find him at the golf course, playing somewhat over par! Ryan is fond of travelling and loves soaking up the local culture and exploring exotic cuisines.
